MERINDA'S GARDEN OF MUSIC
2008-2009 Registration Information

Registration Fees:

- Your registration fee reserves your spot in the class and allows me to order your family materials in order for them to arrive in time. The sooner you submit this payment, the more likely you are to have a place in the class. If you do submit your registration after a class is full, your payment will be refunded in full.
 - Your registration fee covers the cost of your Musikgarten family materials (CDs, parent booklets, and other materials that vary by age group), including shipping costs from the USA. They are high quality and you will find them to be a valuable investment, essential to your child fully benefiting from the class.
 - The registration fee is nonrefundable.
-

Tuition Fees:

- The tuition charge is for the entire 15-week semester, whether or not you attend each class.
 - Late tuition payments incur a 5% bookkeeping charge.
 - If you choose to withdraw from the class during the semester for whatever reason, your tuition will be refunded pro rata. The excellent materials will be yours to keep or sell to another student.
 - To reduce bookkeeping for me and allow more time for music, I prefer that you pay tuition for the entire semester. If you do so, you receive a 10% discount.
 - If you need to pay in installments, please pay on the first class of the month the amount listed above. Please note: This option is not a per class payment, but simply an option for families who prefer not to pay the full tuition payment all at once.
 - Regardless of how you pay, if you withdraw early you will receive a pro rata refund.
 - A 20% tuition discount is available for the second child enrolling in a family. Need-based discounts are also available. Just ask!
