MERINDA'S GARDEN OF MUSIC
2007-2008 Registration Information

Registration Fees:

- Your registration fee reserves your spot in the class and allows me to order your family materials in order for them to arrive in time. The sooner you submit this payment, the more likely you are to have a place in the class. If you do submit your registration after a class is full, your payment will be refunded in full.
 - Your registration fee covers the cost of your Musikgarten family materials (CDs, parent booklets, and other materials that vary by age group), including shipping costs from the USA. They are high quality and you will find them to be a valuable investment, essential to your child fully benefiting from the class.
 - The registration fee is nonrefundable.
 - There will be a mandatory parent meeting in August. You must attend this meeting, or you will forfeit your spot in the class. This may seem harsh, but I find that parents who attend this meeting understand the curriculum and are much better partners with me in educating their child. Please speak to me if attending one of these meetings is a problem.
-

Tuition Fees:

- The tuition charge is for the entire 15-week semester, whether or not you attend each class.
 - Late tuition payments incur a 5% bookkeeping charge.
 - If you choose to withdraw from the class during the semester for whatever reason, your tuition will be refunded pro rata. The excellent materials will be yours to keep or sell to another student.
 - To reduce bookkeeping for me and allow more time for music, I prefer that you pay tuition for the entire semester. If you pay for two full semesters you will receive a 10% discount.
 - If you must pay your tuition in installments, pay four equal payments of Rs. 1100 for Musical Beginnings I, Rs. 1320 for Musical Beginnings II, Rs. 1540 for Young Musicians I, or Rs. 1787 for Young Musicians II. These payments are due by the 25th of each month (Jan, Feb, Mar, Apr). Installment amounts include a 10% surcharge to cover bookkeeping costs. Please note: This option is not a per class payment, but simply an option for families who cannot afford the full tuition payment all at once.
 - Regardless of how you pay, if you withdraw early you will receive a pro rata refund.
 - A 20% tuition discount is available for the second child enrolling in a family. Need-based discounts are also available. Just ask!
-
